

FREIGHT TRANSPORTATION ADVISORY COMMITTEE

OF THE HAMPTON ROADS TPO

Upcoming Goals

The Freight Transportation Advisory Committee (FTAC) staff has compiled some potential goals that the Committee may consider for the upcoming year. These potential goals are up for discussion and approval as the Committee sees fit.

1. Fund a tolling study
2. Successfully launch a freight public outreach campaign
3. Advocate for rail/intermodal
4. Interact with CTB/General Assembly
 - i. Infrastructure is 15 times more expensive in Hampton Roads
 - ii. Freight Caucus?
5. Take actions for the Board and other subcommittees to move from talking about treating the transportation system as a network, to actually treating it as a system.
6. Select and advocate for top projects
